

Chapter 6 – Data Protection and Access to Data

- 6.1 EUROCAT Central Database**
- 6.2 Release of Data**
- 6.3 Guidelines on Security and Confidentiality for Staff Working in EUROCAT Central Registry**
- 6.4 Data Protection Principles**

Policy regarding Security, Confidentiality, Release and Publications of Data: Agreed December 2011

These guidelines have been submitted to the Project Management Committee of EUROCAT and to the Data Protection co-ordinator of the University of Ulster. They will be reviewed periodically by Central Registry at the University of Ulster, Jordanstown. EUROCAT is covered within the University of Ulster's registration with the Information Commissioner.

Note: Following the transfer of Central Registry to the European Commission's Joint Research Centre (01/01/2015), the new Data Protection and Access to Data procedures are under development.

Contact JRC-EUROCAT Central Registry for any query (JRC-EUROCAT@ec.europa.eu).
